

## Bailando en Silencio: Escenas de una Niñez Puertorriqueña (Spanish Edition)

Poetry. Fiction. Latino/Latina Studies. Spanish language edition of SILENT DANCING: A PARTIAL REMEMBRANCE OF A PUERTO RICAN CHILDHOOD, translated by Elena Olazagasti-Segovia. The original English version of this book was well received, and Olazagasti-Segovias Spanish translation will most certainly be popular not only among Puerto Ricans but also with other immigrant groups who know the apparent dichotomy of living in two different and opposing cultures. Chapters trace the authors changes from childhood to adolescence in a life divided between long stays in her mothers native Puerto Rico with her colorful extended family and long, lonely winters in New Jersey while her absent father serves in the U.S. Navy. Each phase poses different challenges, but the author as a young girl manages to meet the demands of womanhood and family without losing her own identity. Latinas, specially young adults who have gone through similar experiences, will identify with the author, for her lovely book is a mirror where each of us may see our own reflection, although slightly altered by personal experience. This very enriching work is recommended for public libraries, especially those with young adult collections--Carmen J. Palmieri, Library Journal.

A great coach can assist you to set up a plan that meets your aims and educate you the greatest way to exercise. Finding and selecting a trainer may be daunting a bit confusing and, for some. It is challenging going in with extra information about how fitness works can allow it to be a little simpler, although requesting assistance. (Personal Trainers) What is a Personal Trainer? A personal trainer should be, at the very least, educated and certified through a recognised fitness organization (see below). This individual's job will be to assess your level of fitness, figure out what your aims are (or help you establish targets) create a plan and keep you motivated. She or he will push you beyond your comfort level — something tough to do by yourself. A trainer additionally provides: 1. Guidance on achieving your goals 2. Instruction about fundamental nutrition, cardio and bodybuilding 3. Each week a reason to appear at the gym 4. Accountability 5. Methods to assist monitor your improvement What is a Program Like? Each session typically lasts about an hour. The first meeting is dedicated to

assessing body measurements, fitness level, health and workout background and goals. Be ready to step on the scale, have your body fat measured and answer questions that were particular about your goals. After this, you'll spend each session performing cardiovascular exercise, weight-training, flexibility or other activities depending on what your aims are. Your trainer will show you give you tips for getting the most out of each workout, enable you to determine how much weight to use and just how to do the exercises. What to try to find In a Personal Trainer 1. Education: A personal trainer should be accredited through a recognised personal training organization. The more education your trainer has, the better your workouts will be, although a workout science or other related college degree isn't crucial. 2. CPR: your coach should have an updated qualification in CPR and/or firstaid. 3. Experience: Make sure your trainer has expertise, particularly with regards to your goals. As an example, if you are a bodybuilder, you want some body educated in that area. 4. Details: If you've got a particular clinical issue, injury or illness (such as being pregnant, difficulty becoming pregnant, heart troubles, diabetes, etc.) ensure your trainer has education in these fields and communicate with your doctor. 5. A good-listener: A good trainer ensure he comprehends your aims and should listen carefully to what you say. 6. Attention: A good trainer should be targeted only during your sessions on you. 7. Monitoring improvement: A great coach will often assess your progress and alter things if necessary.
