The Event Group is comprised of the nations most brilliant men and women in the fields of science, philosophy, and the military. Led by Major Jack Collins, their job is to find the truth behind the worlds greatest unsolved myths. And this time, Collins and his crew will dare to uncover a terrifying secret about the long-vanished tribe of the Incas that's buried deep within the Amazon Basin. The last expedition into the depths and darkness of the Amazon claimed the lives of a female professor and her team. Now the Event Group, using cutting-edge technology exclusively designed by the U.S. military, will travel to the ends of the earth from Brazil to the Little Bighorn to the Arlington National Cemetery to bring new meaning to an ancient disaster or bury the legend forever or die trying.
