No Borders-No Boundaries is a compelling thought provoking tale of mystery, intrigue and romance. A cast of no nonsense characters, jump from the page with sparkling dialogues that compel you to feel for their predicaments. The action takes place over a three-month period during the summer of 2001. From the cruel streets of Washington D.C to the peaceful shores of the Gaspé Peninsula in Quebec, this action packed page-turner will have you hooked from the start. Amidst all the mayhem, there are real people and their turbulent lives that are altered and changed forever. The story thrives on deception and deceit and for some deliverance. There are new beginnings and sudden endings. The novel encompasses the shadowy lives of underworld crime figures and the innocent victims who are dragged unwillingly along with them. There are the hunters and the hunted whose roles explicitly become reversed. It is a story of life, love and death that all happen, out of the blue.
