

Journey of the Chosen (Hidden World Chronicles)

Richard Nance, with the help of Rhonda Roth, has created a whole new genre of fiction. This unique work, *The Hidden World Chronicles Book 1: Journey of the Chosen*, takes you on a breathtaking ride through all the secret and covert centers of our world. When Dr. Charles Jennings and his coworker cum bride Sarah Parker uncover a strange discovery in an obscure temple in Tibet, they are instantly whisked away to a government facility where they are sure they will be tossed in prison. What they find is an operation kept secret for centuries. These secrets eventually lead Dr. Charles Jennings and Dr. Sarah Parker, along with three others, to a hidden world that some believed to only exists in myth or spiritual realms. These adventures were made known in a journal left in the faithful hands of a man named Gavin Graham, who has been chosen by Charles to carry on a mysterious legacy begun years ago. Gavin was inexorably drawn in to the complications of an epic battle between good and evil simply by touching the hand of Dr. Charles when he was a child. With a dazzling incorporation of numerous genres and a challenging mystery to be solved, don't be surprised if at the end of this book you will ask yourself what your part will be in the saga of *The Hidden World Chronicles*. Richard Nance has had an eclectic assortment of careers since leaving his alma mater, North Carolina State University School of Electrical Engineering, including everything from a stint in the Navy, to a teacher to an electrician. All these careers gave him the means and the experience to pursue a real passion for writing, which he has realized in this novel, which he wrote with his daughter, Rhonda Roth.
