

## Flame of Coven

This is the first volume of the Nexus Empire series, the writing style of this book harks back to the 1950s, honoring those who inspired the author to set off on the saga to follow. Back when Andre Norton had *Witch World* and *The Beastmaster* out on the shelves (among others), when such luminaries as Sturgeon and Dick were playing games on poor Campbells adamantine head to get their smaller pieces published, and the sainted Hugo Gernsback was a name yet fresh in the memories of Science Fiction fans everywhere.

A great coach can assist you to set up a plan that meets your aims and educate you the greatest way to exercise. Finding and selecting a trainer may be daunting a bit confusing and, for some. It is challenging going in with extra information about how fitness works can allow it to be a little simpler, although requesting assistance. (Personal Trainers) [What is a Personal Trainer?](#) A personal trainer should be, at the very least, educated and certified through a recognised fitness organization (see below). This individual's job will be to assess your level of fitness, figure out what your aims are (or help you establish targets) create a plan and keep you motivated. She or he will push you beyond your comfort level — something tough to do by yourself. A trainer additionally provides: 1. Guidance on achieving your goals 2. Instruction about fundamental nutrition, cardio and bodybuilding 3. Each week a reason to appear at the gym 4. Accountability 5. Methods to assist monitor your improvement [What is a Program Like?](#) Each session typically lasts about an hour. The first meeting is dedicated to assessing body measurements, fitness level, health and workout background and goals. Be ready to step on the scale, have your body fat measured and answer questions that were particular about your goals. After this, you'll spend each session performing cardiovascular exercise, weight-training, flexibility or other activities depending on what your aims are. Your trainer will show you give you tips for getting the most out of each workout, enable you to determine how much weight to use and just how to do the exercises. [What to try to find In a Personal Trainer](#) 1. Education: A personal trainer should be accredited through a recognised personal training organization. The more education your trainer has, the better your workouts will be, although a workout science or other related college degree isn't crucial. 2. CPR: your coach should have an updated qualification in CPR and/or firstaid. 3. Experience: Make sure your trainer has expertise, particularly with regards to your goals. As an example, if you are a bodybuilder, you want some body educated in that area. 4. Details: If you've got a particular clinical issue, injury or illness (such as being pregnant, difficulty becoming pregnant, heart troubles, diabetes, etc.) ensure your trainer has education in these fields and communicate with your doctor. 5. A good-listener: A good trainer ensure he comprehends your aims and should listen carefully to what you say. 6. Attention: A good trainer should be targeted only during your sessions on you. 7. Monitoring improvement: A great coach will often assess your progress and alter things if necessary.
