

Crazy Sexy Magic Bundle: Willing Men are Transformed and Taken

No man wants to be on the receiving end of a naughty magical curse. Unless it transforms them into a hot, slutty bimbo ready for sex. Magical Gender Transformation and Bimbofication
Rough Interracial Sex Double and Triple Penetration
Virtual Voyeur: Christopher is a hardcore nerd who needs to get laid. He logs onto his favorite multi-player game after work, ready to show newbs how its done. Little does he know that one geriatric sorcerer has his sights set on him. The two meet in a grassy field and after a brief conversation Christopher realizes that the old man isnt just a mysterious non-playable character. A magical portal opens and he is quickly whisked into his favorite video game. Too bad he lands in the brush with tits and a needy new hole. Luckily the wizard and his friends with big cocks are there and ready to help.
Voodoo Detour: Duke envies the Los Angeles bimbos that surround him. When fate delivers him a new driver for the evening, one whose care comes equipped with a mysterious magical totem, he jumps at the opportunity to make a potentially life-changing wish. As the two make their way through the back roads towards his chauffeurs seedy neighborhood the corporate drone is swiftly transformed into a big-breasted blonde! What will happen when Duke, now Daisy, can no longer control the unstoppable urges of his sexy new form? Will a surprise detour to a local park, one full of hard-muscled black men, provide him with the perfect chance to take his transformed parts for an orgasmic interracial test-drive?
The Secret Exhibit: Bored jocks Cameron and Lance sneak away during a trip to the museum. When the two find a hidden door to a secret exhibit theyre more than happy to wander away from the group. Once inside the dusty room, one supposedly full of sexy and ancient magical artifacts, the two begin fooling around with a ridiculously phallic

sword encased in stone. What will happen when the two accidentally unleash the perverted power of the legendary blade that can turn men into women? Will the otherwise straight best friends be able to resist playing with one another in secret when one of them becomes a bodacious babe?

Menu Home About Us Terms and Conditions Privacy Policy Contact Us Personal Trainers & Bodybuilding Choosing a Personal Trainer(Personal Trainers & Bodybuilding) Why a trainer might be appropriate for you Selecting a personal trainer may be a step in the direction that is right if you desire to lose weight, get healthy and/or build muscle. A great coach can assist you to set up a plan that meets your aims and educate you the greatest way to exercise. Finding and selecting a trainer may be daunting a bit confusing and, for some. It is challenging going in with extra information about how fitness works can allow it to be a little simpler, although requesting assistance. (Personal Trainers) What is a Personal Trainer? A personal trainer should be, at the very least, educated and certified through a recognised fitness organization (see below). This individual's job will be to assess your level of fitness, figure out what your aims are (or help you establish targets) create a plan and keep you motivated. She or he will push you beyond your comfort level — something tough to do by yourself. A trainer additionally provides:

1. Guidance on achieving your goals
2. Instruction about fundamental nutrition, cardio and bodybuilding
3. Each week a reason to appear at the gym
4. Accountability
5. Methods to assist monitor your improvement

What is a Program Like? Each session typically lasts about an hour. The first meeting is dedicated to assessing body measurements, fitness level, health and workout background and goals. Be ready to step on the scale, have your body fat measured and answer questions that were particular about your goals. After this, you'll spend each session performing cardiovascular exercise, weight-training, flexibility or other activities depending on what your aims are. Your trainer will show you give you tips for getting the most out of each workout, enable you to determine how much weight to use and just how to do the exercises. What to try to find In a Personal Trainer

1. Education: A personal trainer should be accredited through a recognised personal training organization. The more education your trainer has, the better your workouts will be, although a workout science or other related college degree isn't crucial.
2. CPR: your coach should have an updated qualification in CPR and/or firstaid.
3. Experience: Make sure your trainer has expertise, particularly with regards to your goals. As an example, if you are a bodybuilder, you want some body educated in that area.
4. Details: If you've got a particular clinical issue, injury or illness (such as being pregnant, difficulty becoming pregnant, heart troubles, diabetes, etc.) ensure your trainer has education in these fields and communicate with your doctor.
5. A good-listener: A good trainer ensure he comprehends your aims and should listen carefully to what you say.
6. Attention: A good trainer should be targeted only during your sessions on you.
7. Monitoring improvement: A great coach will often assess your progress and alter things if necessary.
