

Never Forgotten

Our story begins at Sausha Andrews 18th birthday/official coming out party. While taking a breather from the party, Sausha meets a mysterious man. She learns, through conversation with him, that Garth is the owner of the nightclub as well as a member of the DeAngelo family, which is rumored to be connected with the mafia. Before returning to his duties, Garth kisses Sausha. He leaves her standing alone in the night air. An entire year goes by before Garth and Sausha become a couple. During the second year of dating, while arguing, Garth is hit by a bullet. To save his son, Franko DeAngelo takes charge and sends Sausha into hiding. Sausha continues with her life, always wondering why she hasn't heard from Garth. Several years later, Sausha is stolen by Tony, a man Garth had told her to fear. Several months after the first kidnapping, Tony once again kidnaps Sausha. She is kept hidden and mistreated for over two weeks. Garth manages to rescue his beloved Sausha. After a trial, Tony pays heavily for his ruthless actions.
