

The Billionaires Associate: Stories 9 & 10: 2-Story Collection Bundle (His Not-So-Loyal Associate and Their Naughty Lawyer) (The Billionaires Associate Series Bundles Book 5)

This collection features two stories from The Billionaires Associate available in one collection: Story # 9, His Not-So-Loyal Associate, and Story # 10, Their Naughty Lawyer. Leah Ford's career-- and life-- were forever changed the day she met Kevin Barnes. A billionaire equity partner at the law firm where Leah just started working as an associate, Kevin is her mentor at work and quickly becomes her master in the bedroom as well. Then Kevin shared Leah with his even richer and more powerful potential client, Mr. Snell. Leah has learned to like the attention of two powerful alpha males, but at what cost to Kevin's ego? What will happen when she continues her sexual adventures without him? Will she still reap the rewards at work with Kevin as she follows Mr. Snell and his colleagues into deeper and deeper sexual exploration? And will she get in over her head with Mr. Snell and the many people he introduces her to and wants to share her with? A NOTE TO READERS: Each story included in this 2-story bundle is approximately 5,500 words, for a total word count of approximately 11,200 words. The stories include mind-blowing sex and graphic language. Included are depictions of rough sex, anal sex, submissive sex, alpha male domination, spanking, BDSM and bondage, humiliation and degradation, exhibitionism and voyeurism, and fun times with various partners, including men and women. This material is of an erotic nature and is intended only for mature adults, ages 18+. All of the stories in The Billionaires Associate series can be read together, or separately as stand-alone stories. You don't have to worry about missing out on something if you jump in on the fun in a random story. If you like the story, you can always go back and see what Leah and Kevin were up to in the past, or follow along as their journey unfolds in future stories. ER Bundles is the bundling service
